I am a second year mechanical engineering student at Toronto Metropolitan University with interests and skills in manufacturing, control systems and automation. I am eager to apply my skills and contribute to innovative engineering solutions.

Summary of Qualifications

- Completed basic introduction for SolidWorks
- 2025 Dean's List (above 3.5 GPA)
- Proficient in Excel, Word and Matlab
- Standard First Aid/CPR C (St. John Ambulance Brigade)

EXPERIENCE

Summer Camp Counsellor, Town of Bradford

Summer 2023 - Summer 2025 • Ensure the safety of the children at all times

- Organize and run a variety of activities such as games and crafts
- Communicate any behavioural issues with the parents

Ride Attendant - Canada's Wonderland

August 2022 - June 2023

- Ensure riders are strapped in safely
- Perform routine safety checks and inspections
- Guest engagement such as spiels
- Cleaning up the ride and queue

INVOLVEMENT

Structures Team Member, TMU Hyperloop

- Worked with my teammates to design the chassis, VDC housing and braking, focusing on structural integrity and weight reduction
- Collaborating with the propulsion team to develop a fully functional LIM system

Air Cadets (Flight Sergeant), 94 Newmarket RCACS - Volunteer

- Served as second in command for a small flight/group of cadets from Sep 2023 until June 2024
- Developed leadership and communication skills through active participation in team building activities and presentations.
- Gained foundational aviation knowledge through flight simulations and practical experiences, deepening my passion for the field.

EDUCATION

Bachelor of Mechanical Engineering

Toronto Metropolitan University • 2024 - Present

High School Diploma

Newmarket High School • 2020 - 2024

French Immersion

Principal's Honour Roll (90% average or above)

SKILL S

SolidWorks, AutoCad, C, HTML,

Technical Skills

• CAD Drawings

• Automation

• Aviation Knowledge

• Programming

Tools/Softwares

• SolidWorks

• AutoCAD

• Matlab

• C/C++

• HTML

Languages

• English (Fluent)

• French (Working Proficiency)

Certifications

• Standard First Aid/CPR C (St John Ambulance Brigade)

• WHMIS 2015

Additional Information

• Part of the mechanical director's committee at TMU to help represent the voices of all mechanical engineers

• Mentored incoming grade 9 students and led various introduction activities

• Created my own website using HTML (vivaanthadani.com)

• Developed a project to assist the elderly with emergencies and additional credit card security

• Working on a prototype for a small capsule water tester using SolidWorks
